*Description:*

This is a group designed for inmates in the DOC's Chronic Disciplinary Unit. One of the problems that many inmates have in general, and restrictive housing inmates have in particular, is that they lack the skills necessary for problem solving. The first part of this class is designed to help inmates learn that not all problems can be solved and to assist them in approaching problems so as to (1) respond in the best way to the presented problem and (2) not to make the situation worse. In the second part of the class the inmates review a videotape which shows inmates who have completed a restrictive housing program. In that video the inmates discuss what they believe is necessary in order to "do your bid." The video serves as a stimulus for inmates to discuss how it is possible to live in a prison environment without getting into trouble.

Description:

The USD #1 offers opportunities for earning a high school diploma through either USD # 1's Adult Education Program or in some cases in collaboration with USD #1 and the local town/city. To receive a diploma from the local city/town, the former school district must be willing to cooperate with USD #1. USD #1 Adult Education opportunities include the following:

1. The General Education Development (GED) exam provides qualified offenders the opportunity to participate in the examination process in order to receive a Connecticut State High School Diploma.
2. The High School Equivalency Program provides qualified offenders the opportunity to earn the 20 credit hours (120 hours per credit) required to receive a Connecticut High School Diploma.
3. Credit Diploma Program (CDP) provides qualified offenders the opportunity to earn the 20 credit hours (50 hours per credit) required to receive a USD #1 Adult Education High School Diploma.
4. The External Diploma Program (EDP) provides qualified offenders the opportunity to complete a competency portfolio in order to receive a USD #1 Adult Education High School Diploma.

Not all programs are available at all sites, and USD #1 staff review these options with prospective students to assist in the decision regarding which high school diploma program best meets his/her needs.

*Description:*

The Department demonstrates a collaborative approach in providing HIV support services to inmates in all facilities. A UCONN (Contracted) Health Services Team coordinates testing and counseling services; the Department's School District conducts classroom instruction about HIV; the Department's Addiction Services Unit Counselors provide HIV education and prevention counseling; a number of volunteers serve as "buddies" or sponsors; and Hartford's Community Partners in Action (CPA) receives funding from foundations, grants as well as support from the state's Department of Mental Health and Addiction Services to operate the "Beyond Fear" Program. Altogether the Department hosts a complete program that includes counseling, testing, education focus groups, videos, intervention strategies and is able to assist discharging inmates with need for such services as housing, medical treatment, food, clothing and transportation.

New Beginnings and AIDS Awareness Day has been added to the HIV Support Services program. New Beginnings is an HIV/AIDS support group.

Description:

The special education teachers, pupil services specialists (School Psychologists, School Counselors, School Social Workers), and the associated clerical and durational staff provide services to students with handicapping conditions which interfere with their ability to participate in school. These services are mandated by federal (Individuals with Disabilities Education Act Amendments of 1997) and state (Connecticut General Statutes 10-76) statute. Special education services encompass a broad array of activities including assessment, counseling, transition planning, and both the direct and indirect (e.g. consultation) services of the special education teachers and pupil services staff. Student programs are designed according to the individual needs of each student with disabilities and are specified in an Individualized Education Plan (IEP.) A social skills component is a part of the special education program.
